

The St. Paul's Schools is pleased to announce an opening for a **Substitute Athletic Trainer** from approximately March 1, 2020 through April 30, 2020 at St. Paul's School for Boys.

School Overview

The St. Paul's Schools is a family of independent schools located in Brooklandville, Maryland. With more than 1,400 students from ages 6 months to grade 12, St. Paul's Pre and Lower School (coed), St. Paul's School for Girls, and St. Paul's School for Boys share a 120-acre campus, an Episcopal affiliation, and a focus on developing confident, well balanced students who will use their education and ethics to improve the world. In July 2018, the schools unified under the umbrella of The St. Paul's Schools, with a single board of trustees and one president, but each school retains its individual traditions and its gender-specific programs. A coordinated structure allows The St. Paul's Schools to preserve the small-school feel within each school while sharing resources and certain programs to maximize opportunities for students. With St. Paul's unique model, boys and girls are taught together and separately at just the right times in their development.

St. Paul's School for Boys, founded in 1849, has 500+ boys in grades 5 through 12. Our mission is to "seek truth, knowledge, and excellence; live by faith, compassion, and integrity."
