

# St. Paul's School for Girls

## THE LEVERING SCHOLARSHIP APPLICATION

St. Paul's School for Girls is proud to offer the Levering Scholarships. The Levering Scholarships were established in honor of our first Headmistress, Rosalind Levering. Middle School and Upper School students, new to the SPSG community, will be awarded the Levering Scholarships.

### **Eligibility**

Students new to the SPSG community applying to grades 5-11 are eligible.

### **Award Amount and Duration**

The Levering Scholarships are up to \$7,500 grants applied toward tuition costs and awarded annually. Scholarship recipients in good academic standing will carry the scholarship through the completion of their time at SPSG.

### **Criteria**

The scholarships are awarded to exceptional students who are enthusiastic learners, demonstrate original thought, creativity, perseverance, and integrity, qualities reminiscent of the pioneering spirit of Rosalind Levering. Levering scholars show potential for leadership in the SPSG community both inside and outside of the classroom. Such well-rounded scholars seek to engage in the life of the school's robust arts, athletics, and leadership offerings.

### **Application Process**

Candidates must complete and submit all application materials associated with St. Paul's School for Girls' admission process and complete the Levering Scholarship essay by December 20, 2019.

### **Levering Scholarship Essay**

In a well-organized, double-spaced essay of one to two pages, please describe one experience that demonstrates your creativity, energy, and perseverance. Place your name at the top of the Levering essay and submit it together with your completed admission application. The candidate must complete the essay without outside assistance.

### **Notification**

The recipients will receive a phone call from the SPSG Head of School, Ereni Gleason Malfa '89, on Thursday, February 20, 2020.
