

The Upper School Theatre Department at The St. Paul's Schools is proud to announce auditions for our fall musical...

**August 24-25, 2020
12:00-4:15 p.m.**

Inspired by the twisted genius of Roald Dahl, the Tony Award-winning Roald Dahl's Matilda The Musical is the captivating masterpiece from the Royal Shakespeare Company that revels in the anarchy of childhood, the power of imagination and the inspiring story of a girl who dreams of a better life. With book by Dennis Kelly and original songs by Tim Minchin, Matilda has won 47 international awards and continues to thrill sold-out audiences of all ages around the world.

Matilda is a little girl with astonishing wit, intelligence and psychokinetic powers. She's unloved by her cruel parents but impresses her schoolteacher, the highly loveable Miss Honey. Over the course of her first term at school, Matilda and Miss Honey have a profound effect on each other's lives, as Miss Honey begins not only to recognize but also appreciate Matilda's extraordinary personality. Matilda's school life isn't completely smooth sailing, however – the school's mean headmistress, Miss Trunchbull, hates children and just loves thinking up new punishments for those who don't abide by her rules. But Matilda has courage and cleverness in equal amounts, and could be the school pupils' saving grace!

MONOLOGUES

Please choose ONE short monologue to present at your audition.

MRS. WORMWOOD (*Who is annoying and arrogant in every possible way*)

Look, is this going to take much longer, Doctor, I've got a plane to catch at three. I'm competing in the bi-annual international amateur Salsa and Ballroom Dancing Championships in Paris. I always compete, doctor. And this time I have a secret weapon: Rudolpho. He's part Italian, you know. Very supple. And he has incredible upper body strength.

DOCTOR (*Who has just told Mrs. Wormwood that she is 9 months pregnant*)

A baby, Mrs. Wormwood! A child, the most precious gift that the natural world can bestow has been handed to you! A brand new human being, a life, a person, a wonderful new person is about to come into your life to bring love and magic and happiness and wonder!

NIGEL (*Who has been wrongly accused of playing a prank on Miss Trunchbull*)

Hide me! Someone poured a whole can of treacle onto Trunchbull's chair! She sat down and when she got up her knickers stayed stuck to the seat! Someone told her I did it but I never did and now she's after me! Oh Matilda ... they're saying she's going to put me in Chokey! They say it's a cupboard in her office that she throws children into. They say she's lined it with nails and spikes and bits of broken glass ... please don't tell her where I am!

LAVENDER (*Who is speaking to the audience*)

Hello. I'm Lavender by the way. Matilda's best friend. There's a bit coming up that's all about me. Well, not exactly about me, but I play a big part in it. But I'm not gonna say what happens because I don't want to spoil it for you. *(Pause)* Alright, look, what I do is I volunteer to get the Trunchbull a jug of water. And then ... Not! I don't want to tell you any more because I don't want to ruin it! *(Pause)* Well on the way back I find a newt. A newt is like a really ugly lizard that lives in water, so I pick it up and - No! I will not say any more! *(Pause)* I'm going to put the newt in the Trunchbull's jug! It's going to be brilliant!

TRUNCHBULL (*Who has just been challenged by Matilda*)

How dare you! You are not fit to be in this school! You ought to be in prison, in the deepest, dankest, darkest prison! I shall have you wheeled out, strapped to a trolley with a muzzle over your mouth! I shall crush you! I shall pound you, I shall dissect you madam! I shall strap you to a table and perform experiments on you. I tell you that there is nothing that I shall not do, no length to which I shall not go, no punishment I shall not inflict, no ear I shall not stretch, no fingers I shall not snap back to defeat you! In me you have met the avenger, the spirit of all that is right! And I shall I defeat you in exultation, do you hear?

MR. WORMWOOD (*Who is criticizing Matilda, as usual*)

Fair does not get you anywhere, you thick-headed twit-brain! All I can say is thank heavens Michael has inherited his old man's brains. This is your fault! With your stupid books and your stupid reading! I tell you something, you're off to school in a few days time and you're in for a surprise. I know your headmistress Agatha Trunchbull, and I've told her all about you and your smarty pants ideas. Great big strong scary women she is, used to compete in the Olympics, throwing the hammer. Imagine what she's going to do to a horrible, squeaky little goblin like you! Now get off to bed you little bookworm!

MRS. PHELPS (*Who is eagerly awaiting the next chapter of Matilda's story*)

Your parents must be so proud to have a girl as clever as you. And do you tell them lots of stories like you do with me? Oh, I love your stories Matilda. And that's not a hint, by the way. But if you wanted to finish the story you were telling me the other day ... what happens next Matilda?!? Oh, I can't wait to hear what happens next! I don't know if my nerves can take it, but Matilda you must tell me how it ends! I know your story made me cry last time, but it's not because it's sad. It's just that they want that child so very much. It must be wonderful for a child to be so wanted. Oh please tell me how it ends. Matilda! I can't wait until tomorrow!

MISS HONEY (*Who has come up with a plan to challenge Matilda's incredible mind*)

Matilda could I speak to you please? I'm afraid I have not been so successful in getting others to recognize your ... abilities. So, starting tomorrow I shall bring in a selection of very clever books that will challenge your mind. You may sit and read them while I teach the others and if you have any questions, well, I shall do my best to answer them. How does that sound?

MATILDA (*Who is telling a story to Mrs. Phelps*)

Once upon a time the two greatest circus performers in the world - an escapologist, who could escape from any lock that was ever invented, and an acrobat, who was so skilled it seemed as if she could actually fly - fell in love and got married. They performed some of the most incredible feats together anyone has ever seen and people would come from miles around; kings, queens, celebrities and astronauts. And not just to see their skill, but also to see their love for each other, which was so deep that it was said that cats would purr as they passed them and dogs would weep with joy.

MATILDA (*Who is tricking Miss Trunchbull and making this all up on the spot*)

I know where Nigel is Miss Trunchbull. He's over there under those coats. Where he's been for the last hour actually. You see unfortunately, Nigel suffers from the rare but chronic sleep disorder, narcolepsy. The condition is characterized by the sufferer experiencing bouts of chronic fatigue and falling suddenly asleep, often without knowing or any warning at all. You see he fell asleep and we put him in the coats for safety. He'll probably think he's in bed when he wakes up.
